

Prüfungsplan SoSe 2024 (Examination Plan for Summer Semester 2024) Maschinenbau / Mechatronik (Mechanical engineering / Mechatronics)

The selection (registration) or deselection (withdrawal) of elective modules (see table below) is only possible **via ICMS** within the **registration and withdrawal period**: from **Monday, March 18th, 2024, 00:00 o'clock** to **Wednesday, April 3rd, 2024, 23:59 o'clock**

Your choice will be approved by the Examination Office ("Prüfungsamt"). Approval is subject to the conformity with the current examination regulations and the available capacity. Module registrations are handled in the order of their execution (first come first serve). A maximum of 40 ECTS can be chosen per semester (including Ergänzende Vertiefungen, R&D-module, mobility module, Master's thesis)

Note: If you select a **R&D-module**, a **Internship for Master's thesis** or **Master's Thesis** which must be approved by the **Examination Office**, you will **still need to email the corresponding filled and signed form (as PDF) to Stefanie.Sander@hs-kl.de**. Forms need to be signed by supervising professors in advance.
